Our Mission

Engage with like-minded women, learn about community needs and philanthropy, and leverage collective giving to support human services for local women and children.

Join Us... and stay involved all year long...

- Spring Education Panel with community leaders discussing key topics that impact our area
- Summer Social and Membership Open House to expand our group and strengthen friendships
- Day of Caring service as a team to help our community
- Grant Finalists Presentation in the Spring and the Fall Awards Luncheon which shows the tangible power of collective giving as we award organizations who support local women and children

Contribute at the level that is right for you.
